BSC Dataverse Timeline

1 week → 1 week → 2 weeks →

STEP 1
Set up a Dataverse account

Set up a Dataverse account and read the Deposit Agreemant and Terms of Use

STEP 2
Get access to collection

Request and receive Department collection access

STEP 3
Register metadata & upload files

Add a dataset, enter metadata, upload files, and enhance reproducibility with a README file

STEP 4
Link guestbook & submit

Edit your dataset, check licensing, link guestbook, and submit for review. Use the user checklist to ensure completeness.

STEP 5
Department's Steward dataset review

Department steward reviews your dataset. Use the steward checklists to ensure completeness.

STEP 6
Publish dataset

Dataset goes live and is publicly searchable on BSC Dataverse!
